

AGENDA ITEM 1: UPDATES FROM THE ASEAN COOPERATION ON LIVESTOCK SECTOR ON THE STRATEGIC DIRECTION FOR 2021 – 2025

**The 4TH JOINT MEETING OF THE ASEAN PLUS THREE FIELD EPIDEMIOLOGY TRAINING NETWORK
(ASEAN+3 FETN) WITH THE ASEAN VETERINARY EPIDEMIOLOGY GROUP (AVEG)**

**14 – 15 DECEMBER 2021
Video Conference**

AGENDA ITEM 1: UPDATES FROM THE ASEAN COOPERATION ON LIVESTOCK SECTOR ON THE STRATEGIC DIRECTION FOR 2021 – 2025

OVERVIEW

- I. Outcomes from relevant ASEAN Meetings.
- II. Progress on the development of ASEAN Coordinating Centre for Animal Health and Zoonoses (ACCAHZ).

I. Outcomes from relevant ASEAN Meetings.

- **The 28th ASWGL on 22 July 2020** discuss and finalized the **ASEAN Strategic Plan of Action for Cooperation on Livestock (2021-2025).**
- The SPA Action for Cooperation on Livestock (2021-2025) was adopted by AMAF at **the 42nd AMAF Meeting on 21 October 2020.**

I. Outcomes from relevant ASEAN Meetings.

- **The SPA for Cooperation on Livestock 2021-2025 proposed (4)**

Strategic Thrusts for programme development :

Strategic Thrust 1: Enhance intra- and extra-ASEAN trade in livestock commodities

Strategic Thrust 2: Disease control and food safety to expand trade and protect human health

Strategic Thrust 3: Sustainable productivity improvement, natural resources management and livestock impact on the environment and climate change;

Strategic Thrust 4: Support smallholder livestock for poverty alleviation, food security, nutrition, and gender equality

I. Outcomes from relevant ASEAN Meetings.

Strategic Thrust 2: Disease control and food safety to expand trade and protect human health

Output 2.1 Harmonized comprehensive integrated disease control measures.

Activities:

2.1.1. Operationalize the ACCAHZ as a regional body

2.1.2. Increase capacity development in Veterinary Epidemiology and undertake relevant epidemiological works

2.1.3. Monitor progress in implementation of programmes and projects and undertake new projects for control and eradication of economically important trans-boundary animal diseases

2.1.4. Management of exotic and emerging disease including emergency preparedness and response

I. Outcomes from relevant ASEAN Meetings.

Activity 2.1.2. Increase capacity development in Veterinary Epidemiology and undertake relevant epidemiological works

- (a) Conduct regional **training** courses on field **epidemiology**
- (b) Continue field **epidemiology course-based Masters Programme** offered in the Philippines.
- (c) Conduct **training/workshop on Control and Eradication** of priority animal diseases and zoonoses as well as and other economically important trans-boundary animal diseases.
- (d) Publish report of the **baseline survey** conducted by Philippines on incidence of **Classical Swine fever (CSF)** in the ASEAN region conducted by the Philippines
- (e) Take steps for **mutual recognition of veterinary professionals**
- (f) Monitor Progress in implementation of the **Project on Environmental Animal Health Management Initiative (EAHMI)** to integrate EAHMI into the core Veterinary Service by the use of Geographic Information Systems (GIS) Technology developed by the Philippines. Expanded program for paraveterinarians to strengthen disease control measures through capacity building.
- (g) Develop action plan, tools and funding mechanism for **promoting One Health strategies at country and regional level.**

I. Outcomes from relevant ASEAN Meetings.

The 5th AVEG Meeting on 25 October 2019

- The Meeting recognized that the Consultation Meeting is an important platform to facilitate further dialogue and to provide mechanism for collaboration between the AVEG and the ASEAN+3 FETN.
- Requesting ASEAN+3 FETN to share information with AVEG through ASEAN Secretariat (AVEG POA 2018-2019)
- Conduct of the Joint AVEG – ASEAN+3 FETN Meeting (AVEG POA 2018-2019)

I. Outcomes from relevant ASEAN Meetings.

The 6th AVEG Meeting on 16 March 2021

- Agreed on the new timeline for joint collaborative activities between AVEG & ASEAN + 3 FETN and agreed that Joint Table Top Simulation Exercise / Field Outbreak Response training utilizing existing guidelines including JMOIR to be included in AVEG Action Plan 2021-2022.
- Requesting ASEAN+3 FETN to share information with AVEG through ASEAN Secretariat (AVEG POA 2021-2022)
- Conduct of the Joint AVEG – ASEAN+3 FETN Meeting (AVEG POA 2021-2022)

Presented and agreed at the 6th AVEG meeting on 16 March 2021

NEW TIMELINE FOR PROJECT DELIVERABLE (END IN MARCH 2022)

#	Joint activities description	Scheduled	Provision	Leading country
1	Joint Table Top Simulation Exercise / Field Outbreak Response training utilizing existing guidelines including JMOIR	13-15 Jul 2020	Apr 2021	Malaysia
2	Joint Training Workshop on Policy Communication	15 – 17 Sep 2020	Jan 2022	Thailand
3	Joint Training of Trainers including Veterinarian Epidemiologists	Jul 2020	Jul 2021	Thailand
4	Joint Workshop to develop joint outbreak response technical guidelines to include One Health component	Combined with activity #1 to be conducted in same duration		Malaysia
5	Annual Joint AVEG- FETN Meeting	5-7 Aug 2020	TBD	ASEAN + 3 FETN Countries
6	Joint Video Conferences for information and experience (3 times)	March 2021	Sep, Dec 2020 and Sep 2021	ASEAN + 3 FETN Countries
7	Exchange of trainer trainees to join host country/ program's training activities 4 persons/year for 2 years	Feb 2020	Depending on pandemic COVID-19	ASEAN + 3 FETN Countries

II. Progress on the development of ASEAN Coordinating Centre for Animal Health and Zoonoses (ACCAHZ).

GENERAL OBJECTIVE

To **establish** and **sustain** a **regional mechanism** that will **facilitate coordination** and **cooperation** among AMS and relevant national and international partners and stakeholders in the prevention, control and eradication of transboundary animal diseases and zoonotic diseases in the region.

II. Progress on the development of ASEAN Coordinating Centre for Animal Health and Zoonoses (ACCAHZ).

The SSOM 32nd AMAF (2011)

endorsed proposal
of ACCAHZ
establishment

The 37th AMAF (2015)

endorsed the
final ACCAHZ
Agreement

October 2016

ASEAN
Ministers sign
the ACCAHZ
Agreement

9 August 2021

10 AMS had
deposited IoR
to ASEC

8 September 2021

ACCAHZ
Agreement
enter into force
(Article XV (4))

On 6 September 2021, the SOM AMAF endorsed Regional Project on Strengthening Regional Mechanisms in Animal Health for a Resilient ASEAN (SMART ASEAN project) aims to support the establishment and operationalization of ACCAHZ
