

## 11<sup>th</sup> TEPHINET Global Scientific Conference

This event will be co-hosted by TEPHINET, the Central America Regional Field Epidemiology Training Program (FETP), the Central America FETP Network (REDCEC), and the latter's host institution, the Council of Ministers of Health of Central America and the Dominican Republic (COMISCA).

Our trainee and recent graduate presented their works on NCDs;

- 1) Dr. Krittinan- Influence on digital marketing on fast food and sweetened beverage consumption and weight gain during COVID-19 pandemic.
- 2) Dr. Chanatip- Availability of low-sodium product in Bangkok and Nonthaburi.

Thanks to the TEPHINET for having us from Thailand.
